VOTING

Visitors to the Farm Festival will be voting daily to decide which scarecrow is the best. Ballots are available at location of scarecrows. Each scarecrow will be numbered. Guests will write down the number of their favorite scarecrow in each category and place it in the ballot box. Each guest visiting the farm may only vote one time per day. Feel free to encourage friends and family to visit our farm to vote for your entry. Winners will be announced on the Lazy P Adventure Farm's Facebook page on November 4, 2018.

SCARECROW CONSTRUCTION

Scarecrow must be durable, and able to stand up to sun, wind and very likely rain or snow showers. Use care in choosing your materials. All decorations must be firmly attached to your scarecrow. We recommend a 2 X 4 piece of lumber for the central body. A broom stick or 2 X 4 is recommended for the arms. We will supply a 4 to 5 foot tall steel "T" Post already placed into the ground. You will need to bring rope or wire to attach your scarecrow to the post.

Feel free to bring additional props, such as straw bales, corn shucks, etc. Scarecrows and props must fit into a 6 X 6 foot area. If you choose to bring fresh vegetable or fruits, they must be whole and not punctured or carved to ensure they last through the duration of the contest. You are welcome to visit your scarecrow and keep it in good presentable condition. We reserve the right to remove any entries that do not maintain their ability to be displayed. All entries must be handmade. Electricity will not be provided. Only solar, wind, or battery power for moving parts may be used.

As part of your display, be sure to make a sign with: the name of your entry and your name, group, or service club name. (This will help your friends and family find your entry when voting.) Refer to the category for the sign size. No advertising or political statements are allowed (NOTE: business category may have advertising for their business).
